PROFILE

I am an ambitious and curious person with a great passion for Web Development. Since I moved to Denmark, back in 2017, I have learned 2 languages, English and Danish, studied Web Development intensively and joined Kruso as a web developer. I have had a break in my career because I became a mother for the second time. I am now ready to embrace a career as a Web Developer where I can use my WebDevelopment skills from the HackYourFuture Full Stack course together with my background in Information Technology Engineering.
